

## **C.G. Jung - Up Close & Personal**

### **One Week Intensive: June 24th to June 30th, 2024**

An Immersive experience in Zurich, Switzerland  
(Collaboration between CIIS & MQ Academy, Zurich)

Join CIIS Core Faculty Helge Osterhold on a one-week immersion in the life and work of C.G. Jung during their summer school in Zurich. During the course, central themes in Jung's theoretical and visionary writings are explored. Besides the scholarly work, the class will embark on an experiential journey of self-discovery using dreamwork and active imagination. Important places in Jung's life, like his home in K usnacht, the Jung Institute, and other historical sites will be visited.
